# LETS TALK

So working from home for most of us is in full swing, the team here at My Kids wanted to keep you up to date and send out a fun newsletter for everyone to have a light read.

Of course it goes without saying we want to send a huge thank you to all the key workers out there going to work every single day and being on the frontline so we can come out of this pandemic as quick and as smooth as possible. We want you all to know we are playing our part by STAYING AT HOME!

The My Kids HQ is still open and we are all still available for our parents and clients. We are working towards lots of new ideas and ensuring our models are ready to film self tapes, voiceovers and images all from home.

Check out Joseph getting involved with the My Kids Challenge and learning to walk. Well done Riley. Also this little cutie Ralph standing confidently!

### Spotlight

Anyone currently signed up to Spotlight should have received an email about them offering a three month payment holiday for Young Performer Spotlight memberships. You have to opt in but a further email will be sent out from them on how to do this so keep a look out.

### Top Tip

Now more than ever children are being asked to film self tapes. Our top tip for this is to get the best natural day light as you can and to minimise any other background noise. Check out our blog for more tips on this – <https://mykidsagency.com/blog/how-to-film->

## My Kids Challenge

If you haven't already seen our My Kids Challenge's keep up to date with them on our social media. They are lots of fun and we love seeing the kids getting involved. This week's challenge is to get your rainbow drawings up in the house! Make sure you tag us in your pictures.

**Take our quiz with the kids – We will publish the answers in the next few days!**
