

My Kids

Let's chat

We had lovely feedback from our last Let's Chat Newsletter so we are back to keep you entertained with another fun read.

We first of all want to celebrate and take a moment to appreciate how amazing kids have been dealing with the 'lockdown'. Their normal routines are gone, and they now have 'new' teachers being us parents. We know it can be so hard for them at times but overall their positive attitude has been simply amazing...so **THANK YOU!**

Here is some online support for parents and children if worried or anxious about the Coronavirus –

Still lots of briefs coming in for work, of course shoot dates are not able to be confirmed as of yet so please spend this time keeping profiles up to date, plus it's the perfect lighting for new headshots.

A special little mention to one of our mum's Tanya who has been sending us daily videos with her son Freddy that have kept us thoroughly entertained and we look forward to getting them everyday!

### Top Tip

One of lovely mums showed us this great voice recording app which is perfect for when we need models to record audios to send to clients. It's called Voice Record Pro and is free to download so definitely check it out. Thanks so much for the tip Sophie!
